

1932 Pomodorina with Fresh Basil Pasta Sauce (Special Order*)

Pomodorina is the special name given to a cherished family recipe dating back to 1932, using tomatoes and basil picked from the sun-drenched fields of the **Emilia Romagna** region. This traditional Italian sauce starts with their classic Pomodorina base, but fresh basil takes the leading role. Every morning in summer, Italian fresh basil is handpicked, infusing the sauce with its aromatic perfume and a hint of fresh taste. The result is a rich and flavorful sauce that embodies the true essence of Italian cooking.
