

Agrumato Lemon Oil-6.76 oz

Agrumato® is the original. It is produced by using only olives and citrus strictly free from harmful substances and carefully selected for ripeness and variety. The two ingredients are crushed simultaneously in a state-of-the-art frantoio (olive mill). When the resulting paste has obtained the right density, the Agrumato® is extracted. The process takes much longer than is usual for producing extra virgin olive oil and the low yield makes this product rare and precious.
