

Albert's Chili Cheese-Wheel (Special Order*)

Albert's Chili cheese is coated with a generous helping of chili flakes, making its fiery red rind pop in any cheese case. Its paste is dense and luscious, with classic alpine nutty and garlicky, onion notes. The paste blends well with the spice from the chili helping to subdue the heat, but don't be fooled, it still packs a punch. For Albert's Chili, think Pepper Jack with a German alpine twist.
