

Alexian Pate-Mixed Vegetable

Alexian's mixed vegetable pâté is a colorful three layer composition of spinach and broccoli, cauliflower and carrot mousses. Each mousse is refreshing and flavorful by itself, but they are specially delightful and pleasing to the eye when presented together. The mixed vegetable pâté is delicious when sliced and eaten À la carte, and it's even better when served with a few other accompaniments to create the ultimate lettuce free salad! It is nutrient-packed with little fat and only 45 calories per serving!
