

Alp Blossom-Wheel

Now produced in Germany at Hofkäserei Kraus, Alp Blossom is a beloved cheese adorned with dried flower petals, herbs, and spices. This cheese pays homage to the Alpine environment, which influences the flavor profile of the milk used in its production. Made from raw, unskimmed milk, Alp Blossom features inherent floral and herbaceous notes that are accentuated by its unique rind. Beyond its stunning appearance, Alp Blossom boasts deep flavors and makes a standout addition to any cheeseboard.
