

American Bowfin Caviar

This American Bowfin caviar is produced under the same Caspian technique that has been handed down for generations and is processed fresh upon harvest. The Bowfin pearl is small and jet black in color. The flavor of this caviar is fresh with a distinct taste of the ocean. American Bowfin caviar is a very common caviar used in top hotels and restaurants in large volumes for parties and brunch. Bowfin caviar also further electrifies the simplest dishes with adding the gorgeous pearls as a garnish to any plate and accompanying it with amazing flavor found in this high-quality American Bowfin caviar.
