

Bass-Chilean Sea

Chilean sea bass boasts a rich, melt-in-your-mouth flavor. Its moderately oily meat is tender and moist, featuring large, thick flakes. Raw Chilean sea bass meat is snow white, maintaining its white appearance when cooked, similar to cod. Refreshed fillets should be shiny and resilient, indicative of their quality and freshness.

Product Details

Pack Size	Various
Cooking Methods	Broil, Fry, Poach, Sauté, Smoke
Texture	Medium/Firm
Flavor	Moderate/Full
Availability	January - December
Scientific Name	Dissostichus eleginoides
Website	https://bit.ly/3RjhcRE
