

Black Creek Extra Sharp 3 Year Yellow Cheddar-Cuts

For over a century, farm fresh milk from the heart of America's Dairyland has been finely crafted into classic, naturally aged cheeses under the watchful eyes of Wisconsin Cheesemakers. Black Creek® Extra Sharp Cheddar Cheese is made using these same time-honored traditions and carefully aged for three years to build a full, richly sharp flavor and delightfully crumbly texture. This memorable Cheddar cheese makes a perfect addition to a cheese plate and adds delectable depth to casseroles. Serve with a full-bodied merlot for a treat you won't soon forget.
