

Callebaut Callets-Dark Chocolate 60.6%

This recipe offers the same roasted cocoa and mild taste as recipe N° 60-40-38, yet contains less cocoa butter. Its very thick fluidity makes it ideal for baking applications with lots of chocolate taste. Incorporate it in your doughs and batters, and watch it resist oven temperatures without burning! Pair it with lots of fruity and spicy ingredients or even coffees and teas for exciting flavor combinations!
