

## Carr's Cracked Pepper Table Water Crackers

Black pepper is one of the world's most popular spices. It adds just the right amount of kick to a variety of foods without overshadowing their flavors. The fruit of the peppercorn provides a snap and brings out the full flavor of grilled steak slices, hummus, Parmesan artichoke dip or even sweeter choices like ricotta cheese, grapes and honey. Add some pep to casual get-togethers by topping and sharing Carr's® Table Water® Cracked Pepper crackers.
