

## Carr's Original Table Water Crackers

Meet the Original. If only it could talk, imagine the tales it could tell since it first debuted at social gatherings back in 1832. Like all Carr's® crackers, its thin and crispy texture comes from being baked in a traditional brick oven. Made with no artificial colors or flavors, there's nothing to get in the way of enjoying the wide variety of toppings and pairings that delight your palate. Top them with hummus, a creamy slice of brie or perhaps a delicate slice of smoked Prosciutto. Whether simple or dressed up, Carr's® Table Water® Original crackers are as authentic and thoughtful as the one who serves it.
