

## Cowgirl Creamery Organic Hop Along

Hop Along is made exclusively from Straus Family Creamery organic cow's milk and crafted into 5-pound wheels in the creamery. After a gentle bath in organic hard cider and 3 months of aging, Hop Along develops aromas of apple and brioche and a silky, semi-firm interior similar to Trappist cheesemaking styles. Supremely snackable, it's a versatile and approachable option for all levels of cheese lovers and easily pairs with a variety of beverages and snacks – cured meats, preserved fruits and jams, market fresh fruits, and even non-alcoholic beverages (cider, teas, and kombucha).
