

Creminelli Sliced Casalingo Salami with Cheddar Cheese & Dried Cherries

Salami Casalingo translates into “the salami of the house” or “household salami,” and the Creminelli family has been making this salami for generations. This mild salami is known for its simple and natural ingredients. A small quantity of salt, pepper, and garlic is all that is needed to enhance the remarkable quality and flavor of the pork. They then pair it with a creamy white cheddar and dried tart cherries to create a complex bite that hits every note on your palette.
