

Cypress Grove Little Giant - Discontinued.

Smooth, buttery, and delicate — Little Giant is a bright and fudgy goat cheese that makes a big impact in a tiny package. With subtly sweet, yeast-like flavors of bread fresh out of the oven and mushroomy notes that intensify as the cheese matures, this little goat cheese is mild and delectable at any age. Little Giant has a downy-white, edible rind, and like other bloomy cheeses, it continues to ripen from the outside in as it ages.
