

Cypress Grove Truffle Tremor-Wheel

You'll enjoy the heavy floral, herbaceous, and mushroom notes in this earth-shaking masterpiece. If you love Humboldt Fog and can't get enough of truffles, this is the cheese for you. Like other soft-ripened cheeses, Truffle Tremor® has a bloomy rind that allows the cheese to ripen from the outside in. As Truffle Tremor® continues to ripen and mature, the cream line develops and the flavor intensifies — an ooey-gooey, ripe Truffle Tremor is not for the faint of heart.
