

Danieli Onion & Sultana Raisin Taralli

Danieli's taralli, ring-shaped Italian crackers, are exceptionally delicious. They have a wonderful savory flavor, rich with high-quality extra virgin olive oil, and an outstanding flaky texture, similar to that of a laminated pastry. Once you've had one, it is hard to resist eating the entire bag of these crunchy snacks. Taralli are an essential component of an aperitivo in southern Italy. Enjoy with salumi, olives, and other antipasti along with a glass of wine!
