

## Dequmana Arbequina Olives

Unlike other olives on the market, this elegantly designed line of Spanish olives is cured the natural and traditional way with just water and salt. The olives are hand harvested and processed in small batches in barrels to ensure the highest quality product. No dyes, preservatives or overwhelming vinegar to get in the way of your taste buds. These Arbequina olives are cured for 3-4 months. They are firm and loaded with a buttery flavor and a high oil content.
