

Dodoni Greek Feta in Brine-30 LB

As a PDO cheese, Dodoni Feta is as authentic as you can get. Their special breeds of sheep and goats graze on biodiverse grasslands, producing the fresh milk that gives this feta its unique aroma and flavor. It's tangy, slightly salty and sharp with a firm texture, making Dodoni Feta perfect to eat by itself, as a topping for salads and recipes or as an ingredient in sandwiches, omelets, appetizers and more.
