

FireFly Farms Bloomy Breeze

Bloomy Breeze has an edible bloomy and velvety-white rind that seals in a creamy and smooth, light-yellow interior. The cheese is aged about three weeks before wrapping, and it ripens and softens for another eight weeks or so as it makes its way to your table. Lactic, dense and buttery with sweet and milky notes.

Product Details

Item	076555
Brand	FireFly Farms
Sold By	CS
Pack Qty	8
Pack Size	6 oz
Case GTIN/EAN/UPC	00891995000133
Unit UPC	891995000140
Country of Origin	USA
Shelf Life from Production	70 days
Storage	Refrigerated
Kosher	No
Gross Case Weight	3.4 LB
Ingredients	Pasteurized cow's milk, bacterial starter cultures, vegetable rennet, salt.
