

Garcia Baquero Tapas Spanish Cheese Plate

Handcrafted and rich in flavor, Garcia Baquero Spanish Tapas Plate is pre-sliced and ready to serve, making it the perfect addition to any tapas party. It contains Manchego, Iberico, and Queso de Cabra slices. Spain's best known sheep's milk cheese, Manchego is made exclusively from the milk of the Manchega sheep raised in the La Mancha region – famous for its fierce winds, temperature swings and arid, desert-like conditions. Iberico is a mixed milk firm cheese with mild, grassy flavor. Queso de Cabra has a mild, creamy taste. Serve cheeses with olives, Membrillo (quince paste), Marcona almonds, Chorizo sausage & thinly sliced Serrano ham – accompanied by toasted baguette slices rubbed with fresh juicy tomatoes, finely chopped garlic & drizzled with olive oil. Pair with big full Spanish reds like Rioja and Tempranillo or try it with chilled Sangria or Sparkling Cava.
