

Honeymoon Chocolates 70% Belize & Raspberry Dark Chocolate Bars

Honeymoon mastered a blend of 70% Maya Mountain Belize cacao, added in pure raspberries and then raw honey. While the 70% Belize base boasts strong flavors of mocha, this bar has an additional raspberry zing. This raspberry bar is free of refined sugar, soy, dairy, and gluten.

All packaging for this 2.2 oz. bar is compostable. Honeymoon pledges to make an annual donation with each purchase to honeybee research via The Pollinator Partnership- see the back wrapper for more information on how to help save the bees!
