

Honeymoon Chocolates 70% Maya Mountain Belize Dark Chocolate Bars

The 70% Maya Mountain Belize bar greets you with the sweetness and floral notes of honey and melts effortlessly into a bold flavor and a dairy finish. Tasting notes include vanilla bean, almond, and cherry.

Maya Mountain Cacao is renowned in the craft chocolate world for both the quality and consistency of their certified organic cacao. MMC sources from approximately 400 small family farms in southern Belize, centralizing the fermentation process of cacao and ensuring transparency and accessibility for regional cacao farmers.

All packaging used for this 2.2 oz bar is compostable. Honeymoon pledges to make an annual donation with each purchase to honeybee research via The Pollinator Partnership- see the back wrapper for more information on how to help save the bees!

Honeymoon sources only the finest natural ingredients- Organic Belizean Cacao, Raw Wildflower Honey, and Organic Peruvian Cacao Butter.
