

## Honeymoon Chocolates 77% Semuliki Forest Uganda Dark Chocolate Bars

The tasting experience of this award-winning dark chocolate begins sharply with fruit and honey transitioning to roasted chocolate on the back end.

Cacao is centrally fermented, USDA organic certified, hand sorted, and harvested from August-June. "Located in Bundibugyo, Western Uganda, Semuliki Forest cacao is grown by 1,002 organic smallholder farmers in the region, 52% of whom are women."

All packaging used for this 2.2 oz bar is compostable. Honeymoon pledges to make an annual donation with each purchase to honeybee research via The Pollinator Partnership- see the back wrapper for more information on how to help save the bees!

Honeymoon sources only the finest natural ingredients- Organic Ugandan Cacao, Raw Wildflower Honey, and Organic Peruvian Cacao Butter.
