

Jasper Hill Bayley Hazen Blue-Wheel

Bayley Hazen Blue is a natural rinded blue veined cheese made from raw milk. Wheels are dry salted, then transported to Cellars at Jasper Hill where they are unpackaged and treated in preparation for a period of open-air maturation, and eventually packaged for sale. The texture and flavor make Bayley an ideal choice for any lover of blue cheese, but with a balance of flavors that renders it accessible to those new to the style. Try pairing with a fruity red dessert wine, toasty Imperial Stout, or a hunk of dark chocolate. Bayley is also ideal for crumbling over a juicy burger or adding to a salad with spinach, walnuts, and dried tart cherries.
