

Jasper Hill Oma von Trapp-Wheel (Special Order*)

Oma is an American original—an approachable washed-rind cheese that balances pungent and sweet flavors. The paste is soft, buttery, and almost pudding-like, but never runny. The thin rind is an earthy contrast to notes of roasted nuts and sweet cream.

The indulgent mouth feel, tender rind, and meaty character recall Bavarian monastic traditions. Its manageable size makes Oma a great option for food service customers, while the study texture works nicely for cut to order retailers. Enjoy on its own with a Belgian-style Ale, Gruner Veltliner—a minerally Austrian white wine—or serve with buttery crackers and dried fruit or fig jam.
