

## Joan of Arc Brie

Whether atop crackers or complementing fresh fruit and walnuts, Joan of Arc® Brie Cheese is a bona-fide party favorite. This well-loved French cheese's origins can be traced back to the fifth century in the Ile-de-France region just outside Paris. Encased by an edible rind, brie's tender ivory interior carries a mellow, memorable flavor. Its aroma brings to mind fresh mushrooms and makes any snacking experience a more pleasant one. Best served at room temperature, brie cheese is best enjoyed in its "affine," or fully ripened, state.
