

Kerrygold Dubliner-Loaf

DUBLINER® is a robust aged cow's milk cheese with a bit of a hard texture similar to a Cheddar. In one bite you can taste the diversity of flavors – from nutty to sharp to sweet – that can only come from a natural cheese made from the milk of grass-fed cows. What might seem ambiguous is actually a well-balanced mix of cheese cultures and naturally occurring amino acids. This diversity pays off in its ability to be served alongside a full-bodied wine like Cabernet, a freshly pulled pint of Guinness, or simply melted between a few slices of crusty brown bread.
