

## Kerrygold Garlic & Herb Irish Butter

Kerrygold Garlic and Herb Butter is made with all-natural Irish butter and a compound mixture of chives, parsley, garlic, fresh herbs and spices. It still has the creamy texture you'd expect from butter made from the milk of cows fed from the grass of Ireland's lush pastures, but it carries a little kick with it. This specialty Irish butter is completely free of any unnatural preservatives and can bring to life a plate of steamed vegetables, grilled seafood, or add a gourmet touch to a charbroiled steak.
