

Kerrygold Skellig Sweet Cheddar-Cuts

Kerrygold Skellig is a creamy, full-flavored Cheddar imported from Ireland. As with all Kerrygold cheeses, Skellig is an all-natural cheese, produced with milk from grass-fed cows that graze on the green lush pastures of Ireland. Kerrygold Skellig is for the real cheese lover; it delivers exceptional flavor – rich and tangy, with a hint of sweetness. This cheese is crumbly, savory and has a lovely, butterscotch-like sweetness. Skellig is ideal for cooking, making cheese sauces or taking center stage on a glorious cheeseboard.
