

## Matiz España Bomba Paella Rice

Paella has become synonymous with Spain, for without the right rice, one cannot create a true paella! Grown in the rich soils of the national protected L'ALbufera Park of Valencia, this short-grain rice makes the perfect ingredient for paella, arroz negro and risotto. Its high absorption rate allows it to soak up and hold the abundance of flavors in all of your favorite rice dishes. Bomba rice absorbs one-third more water than the traditional paella rice.
