

## Milton Creamery Prairie Breeze Cheddar-Loaf

Prairie Breeze™ is Milton Creamery’s twist on a well-aged white cheddar style cheese, aged for a minimum of 9 months, made with vegetarian rennet and no added color. It is sweeter than your typical cheddar with lots of flavor, crumbly yet creamy with a little crunch from the calcium crystals developed during the aging process. Its nutty tones and fresh canned pineapple scent distinguish it from all other cheddars. It melts beautifully and is Milton Creamery’s most beloved and decorated cheese. It is perfect on its own, in homemade mac and cheese or next to apple pie.
