

Mitica Orange Blossom Honey

This raw, monofloral orange blossom honey comes from Murcia in southeast Spain. The producers' coop members cultivate the bees and collect honey from bees that feed on the pollen of orange blossoms. The resulting honey has delicate hints of citrus, making it very versatile. It is excellent paired with younger cheeses, such as Ricotta, Miticaña de Oveja, and Leonora®.

Product Details

Item	410235
Brand	Mitica
Sold By	CS
Pack Qty	10
Pack Size	7 oz
Case GTIN/EAN/UPC	N/A
Unit UPC	825325166442
Country of Origin	Spain
Shelf Life from Production	18 months
Storage	Dry
Kosher	No
Gross Case Weight	4.5 LB
Ingredients	Raw orange blossom honey.
