

Mitica Wild Lavender Honey

A raw, monofloral Spanish honey cultivated from aromatic wild lavender. The lavender pollen collected by the bees contributes a delicate, clean aroma with a faint spiciness. The producers' coop members cultivate the bees and collect the honey in the region of Murcia. It is light, floral, and perfect with aged goat's milk cheeses like Garrotxa. It can also take the edge off potent blues like Valdeon or Cabrales.

Product Details

Item	410200
Brand	Mitica
Sold By	CS
Pack Qty	10
Pack Size	7 oz
Case GTIN/EAN/UPC	N/A
Unit UPC	825325156443
Country of Origin	Spain
Shelf Life from Production	18 months
Storage	Dry
Kosher	No
Gross Case Weight	4.5 LB
Ingredients	Raw wild lavender honey.
