

Nueske's Applewood Smoked Boneless Ham

Nueske's Applewood Smoked Boneless Hams are hand-trimmed and slowly smoked in the Nueske family's traditional manner, over glowing embers of genuine Wisconsin Applewood. These juicy, tender hams are rich, smoky and completely boneless for easy carving and serving. Nueske's Hams are fully cooked and ready to warm gently and serve. These hams are a popular item for retail settings, foodservice, and also are given as memorable business and incentive gifts.
