

Rogue Creamery Organic Oregon Blue-Wheel

First developed in 1954, Oregon Blue is Rogue Creamery's classic, signature blue cheese recipe. The wheels are cave-aged and carefully tended by their affinage team during their maturation; then each lot must pass Rogue's comprehensive organoleptic sensory test before being released for sale. Approachable, creamy, and fruity, Oregon Blue lends itself to a variety of wine and culinary pairings. Its moderate blue flavor, savory-sweet profile, and a creamy-yet-crumbly texture make it a timeless favorite.

Product Details

Item	131537
Brand	Rogue Creamery
Sold By	CS
Pack Qty	1
Pack Size	5 LB (RW)
Case GTIN/EAN/UPC	041174119013
Unit UPC	041174119013
Country of Origin	USA
Shelf Life from Production	180 days
Storage	Refrigerated
Kosher	No
Gross Case Weight	5.28 LB (RW)
Ingredients	USDA certified organic pasteurized whole cow's milk, salt, enzymes, cheese cultures, Penicillium Roqueforti.
