

Somerdale Farmhouse Truffle Cheddar-Wheel

Somerdale Farmhouse Truffle Cheddar is a premium cheese combining the creamy texture of classic English cheddar with the complex and luxuriant flavor of black summer truffle. Pairs perfectly with a glass of your favorite bubbly for an even more decadent experience! Farmhouse Truffle is suitable for vegetarians and does not contain gluten. Beautifully presented Somerdale Farmhouse Truffle Cheddar deli wheels are sealed in black wax to retain the fantastic flavor. Each wheel is then wrapped in a specially designed waxed parchment. Two wheels are supplied in a wooden display crate bearing the Somerdale Farmhouse Truffle branding.
