

Somerdale Poacher's Cheddar-Wheel

Poacher's Cheddar forms part of Somerdale's 'Heraldic' range of quality blended cheddars. Creamy cheddar is carefully blended with tangy caramelized onions to produce a sweet yet savory flavor. Poacher's Cheddar is an extremely versatile cheese. Use it to top burgers and hot-dogs, sprinkle on a salad, melt over Portobello mushrooms or simply enjoy on a cracker. For drinks pairing, try a more acidic white wine (such as Riesling), glass of bubbly or an IPA.
