

Somerdale Tintern Cheddar-Wheel

Somerdale Tintern is part of their 'Heraldic' range of quality, blended cheddars and is named after Tintern Abbey in Wales, where the shallots used in its production were originally farmed. Creamy cheddar is blended with chives and shallots to produce a tangy but well-balanced flavor. Tintern melts well, making it ideal for a grilled sandwich. It is also extremely versatile and can add interest to a simple Ploughman's lunch or add flavor to a quiche, omelet or baked potato. Tintern pairs well with a golden ale or a fruity Merlot.

Product Details

Item	011529
Brand	Somerdale
Sold By	EA
Pack Qty	2
Pack Size	4.4 LB (RW)
Case GTIN/EAN/UPC	10735006002020
Unit UPC	N/A
Country of Origin	England
Shelf Life from Production	275 days
Storage	Refrigerated
Kosher	No
Gross Case Weight	8.8 LB (RW)
Ingredients	Pasteurized cow's milk, salt, vegetarian coagulant, starter cultures, onions, chives, shallots, fructose, salt.
