

## Spence & Co. Ltd. Traditional Scottish Style Smoked Salmon

The succulent, mild flavor is distinctively Scottish. Buttery soft and subtly smoky, the taste will carry you to the traditional Scottish smokehouse. Spence & Co. starts with premium quality fresh Atlantic Salmon. They then dry brine by hand using only kosher salt and then delicately cold smoke over Oakwood chips. Trimmed to perfection, the brown meat and pellicle (a thin skin that forms on the outside during smoking) are removed exposing the delicate center of the salmon. Each slice is then hand interleaved for ease in separation. The most trimmed product on the market today, this flagship Traditional Scottish Style Smoked Salmon is second to none.
