

Sprecher Soda-Cherry

Wisconsin's Door County cherry trees bear their scrumptious fruit just once a year. The ripest Door County cherries are selected and fire-brewed with raw Wisconsin honey to create a sparkling cherry craft soda that can only come from the Badger State. Sprecher's handmade gas-fired brew kettle caramelizes the sugars in this soda to perfection, so each small batch is the best it can be. Enjoy in a chilled mug or straight from the bottle!
