

Valdeón-Wheel

This blue cheese is made with cow and goat's milks at the base of the Picos de Europa in the town of Posada de Valdeón. A family runs the entire operation, everything from making the cheese to aging it and then selling it. Valdeón, which is an IGP cheese, is sought after because it is milder than Cabrales, yet retains an excellent balance of sweet, spicy and earthy flavors.

Product Details

Item	017013
Sold By	EA
Pack Qty	2
Pack Size	6 LB (RW)
Case GTIN/EAN/UPC	N/A
