

V&V Supremo Sierra Brand Cotija-Grated

Originally from the town of Cotija in Michoacan, Mexico, this firm, full flavored, bold cheese is becoming more popular by the minute in the United States. Sometimes called the “parmesan of Mexico”, Cotija cheese can be shaken over any dish for an unparalleled flavor boost. V&V Supremo crafts their unique Cotija cheese with whole milk and no processed ingredients, resulting in the traditional bold flavor with rich dairy notes. Sprinkle over salads, soups, grilled corn on the cob, pizzas, pastas, and cooked vegetables.
