

## Whisps Cheddar Cheese Crisps

Whisps are made from just one ingredient 100% “wheel” cheese. First, master cheesemakers craft artisanal cheeses to perfection. Then they bake them into light, flavorful crisps—deliciously low carb, high protein and gluten free—for a playfully perfect snack to beat even your cheesiest cravings. These start with 100% perfectly aged cheddar, and it is baked for that savory, toasty crunch you love (but honestly...sharing is optional!!)
