

## Whisps Parmesan Cheese Crisps

Whisps are made from just one ingredient 100% “wheel” cheese. First, master cheesemakers craft artisanal cheeses to perfection. Then they bake them into light, flavorful crisps—deliciously low carb, high protein and gluten free—for a playfully perfect snack to beat even your cheesiest cravings. What happens when they take award-winning Parmesan (made the old-world way in copper kettles), age it over a year, grate it, and bake it? The rich, nutty, fruity taste of Parmesan Whisps!
