Bunker Hill Cheese master

cheesemaker Peter Dauwalder created our

Yogurt Cultured Cheese in 1970. Peter was always ahead of his time and enjoyed experimenting. Using yogurt cultures instead of cheese cultures makes our Yogurt Cultured Cheese naturally lactose free and probiotic, giving the benefits of eating yogurt while enjoying the taste of delicious creamy cheese. Bunker Hill Raw Milk Cheese is produced without pasteurization. It has a stronger, richer flavor profile and is our fastest-growing product line.

Indulge in Bunker Hill's mouthwatering Crunchy Cheese Crisps, the perfect high-protein, low-carb snack! Each cheese crisp is made from 100% real cheese, ensuring an authentic and amazing taste.

Embracing the techniques which have been handed down through generations of European and Wisconsin cheesemakers, Widmer's carefully produces some of the finest Brick, Colby, and Cheddar cheese in the world.

In recent years, our Cheddars have more age to satisfy the palate of the distinctive, artisan-style cheese lover. Original family recipes and select cultures (with no shortcuts) gives our Cheddars a more sophisticated and complex flavor profile. Widmer still washes the Cheddar curds before salting and placing in forms to lower the amount of lactose, which reduces bitterness and the final product.

As one of our flagship cheeses, **Merry Goat Round** has been a huge hit since FireFly Farms began making cheese in 2002. Mild and lactic when young, the cheese becomes softer and creamier as it ages, developing earthier and more mushroomy aromas and flavors. The soft bloomy rind is edible at any stage of the cheese's ripening, with the fullest flavor concentrated at the rind. Merry Goat Round is perfect for any soft cheese lover!

Achieving the delicate balance of flavor and texture requires careful guidance and just the right passionate touch. While our recipes certainly rely on science, the true difference in our cheese comes from the craft, patience, and inspiration of our cheesemakers. Their heart and soul shines through in the quality you can taste in every bite.

ORIGINAL BLUE

Produced on our family farm since 2000, California's classic style blue cheese is rindless, all-natural and gluten-free. The addictive flavor is bold with hints of sweet milk and a peppery finish

BAY BLUE

Inspired by the sheer natural beauty of our coastal climate and locale, Bay Blue is a rustic-style blue cheese with a natural rind. It is known for its mellow flavor and sweet, salted caramel finish

TOMA

Our most versatile, any time, any table cheese. All natural, pasteurized, semi-hard table cheese with a rich, texture and buttery flavor with a waxed rind

TomaTruffle

TomaTruffle is the perfect combination of classic Toma paired with the aromatic flavors of Italian Black Truffles from Umbria. Reminiscent of undergrowth, fresh strawberries, dried fruit and a hint of cocoa, the earthy flavor marries beautifully with the buttery richness of Toma
