

Havarti is a traditional Danish cheese type. It is so unique that it even has an official EU Protected Geographical Indication Status. This means that only cheeses produced in Denmark in line with all specific production Techniques can earn themselves a name of Havarti. Castello Havarti has been creatively crafted in Nr Vium, a town in the middle of Denmark. This cheese is lusciously smooth, balanced & mild enough to suit all palates. When ageing, Castello Havarti becomes slightly harder & develops a curious crunch from the protein crystals that begin to form in our cheese. Whether it's young to more mature, creamy plain, dill or infused with aromatic herbs and spices Castello cheese is a real experience for your taste buds!

BelGioioso **Mascarpone** is versatile, indulgent and easy to use - spread on bread in place of butter, use on fruit and in desserts, or melt into sauces. It is a naturally sweet, yet surprisingly light cheese (1/2 the calories of butter). Produced from only the freshest cream, it spreads with ease and blends well with other ingredients. **CreamyGorg®** is a soft blue-veined cheese. Made from fresh local cow's milk, it is handcrafted and aged 90 days in special caves. BelGioioso Master Cheesemakers hand-rub each wheel with salt and piece small holes into the rind of the cheese, allowing air to penetrate, facilitating the growth of beneficial mold. This care and craft creates an exceptionally earthy flavor and creamy texture.
