Delicious, organic and fair trade certified bottled teas with unsweetened and "just sweet enough" options.

All Just Ice Tea varieties are certified organic. This means they commit to a third-party verification process that ensures the ingredients are grown without the use of synthetic pesticides, herbicides, insecticides, and fertilizers. Did you know that tea leaves are one of the few agricultural products that are never rinsed? If chemicals are sprayed on tea leaves during the growing process, the chemicals get washed into the hot tea during the brewing process.

JUST ICE TEA™

Fair Trade Certified™ tea leaves and sweeteners ensure safe, healthy working conditions and fair wages for farming communities. For each pound of fair ingredients purchased, they pay a premium that goes directly to the workers for them to reinvest in their communities. The workers democratically vote on how the money is spent, empowering the workers, especially the women (who form the majority of tea pluckers), with financial resources and a say in their future. Some fair trade projects include: eyecare for an entire village, water access for an entire village, a playground and a science classroom for a village school.

FARMSTEAD CHEESE CO

ORIGINAL BLUE

Produced on the family farm since 2000, California's classic style blue cheese is rindless, all-natural and gluten-free. The addictive flavor is bold with hints of sweet milk and a peppery finish.

Original Blue is great as a stand-alone table cheese, for topping salads, melting onto burgers and steak, mixing into pasta or risotto, incorporating into scrambled eggs and mashed potatoes, and so much more.

Pair with red wine like Cabernet and Zinfandel, where the fruit forward berry flavors and a hint of spicy chocolate play nicely with the peppery finish of the cheese. Pair with malt-centric beers such as Lagunitas Brewing Company's Hairy Eyeball and Imperial Stout. Last but certainly not least, Original Blue and vintage port are outstanding together!

Cotija is a dry grating cheese similar to Parmesan. It is an aged cheese, packed with flavor and zest that gets better with time. It is named after the town of Cotija in the Mexican state of Michoacán. When the cheese is made, it is white, fresh and salty thus bearing immense resemblance to feta cheese however, with aging, it becomes hard and crumbly like Parmigiano-Reggiano. It is usually saltier than the typical Mexican cheese, strongly flavored, firm and it does not melt.

Pieces of black truffles are added to this soft creamy cheese and make for an intense truffle kick, setting this cheese aside from most truffle brie cheeses. A truly indulgent experience! Pairs well with the delicate, nutty flavor of roasted hazelnuts. Serve with Champagne Blanc de Noir.

Similar in appearance to a brie cheese, both the white rind and the creamy interior of Le Fromager are milder in flavour. This crowd-pleasing French cheese is best enjoyed when the rind starts to bulge, and the centre is oozing with rich, buttery aromas.

It Matches beautifully with crispy, crunchy lavosh crackers and a bit of quince paste. Its oozy spreadable texture will make it the best cheese for grilled cheese! Bubbles are a must to pair with this cheese. It can be as simple as sparkling water or champagne!

These Ferrari-red chili peppers, native to the Calabria region of Italy, are spicy, smoky and fruity. They're chopped to enjoy more easily on pizzas, flatbreads and other applications where broader plate coverage is optimal. Chef tip: save the oil for dipping crusty bread.

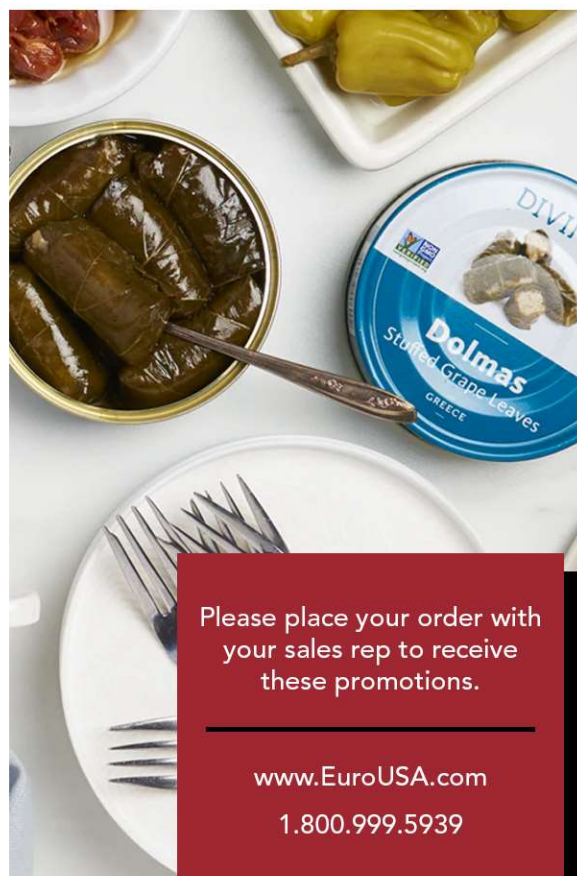

These USA-grown tomatoes are roasted "low and slow" to ensure they stay juicy, robust and summery sweet. Marinated in garlic and herbs, these tomatoes are a star ingredient from breakfast (frittata, quiche) to lunch (sandwich, salad) to dinner (roast chicken, salmon).

These whole roasted organic peppers are meaty, smoky, juicy and fruity - everything you love about a roasted pepper with none of the DIY hassle. Try them layered into a fresh lasagna.

Traditional Dolmas are grape leaves lovingly stuffed with a mix of creamy Arborio rice, onion, mint and dill. Serve with Feta and pita bread or warm in the oven with tomato sauce.

COLUMBUS®
CRAFT MEATS

They use closely-trimmed pork shoulder that's rubbed with pepper, nutmeg and allspice. Columbus® Dry Coppa is then slowly aged and air dried for at least 45 days, to bring out its full tenderness and fragrance. Columbus® Coppa is now clean label which means it is gluten free and doesn't have artificial flavors, colors or preservatives.

What makes this salame different is that it starts with finely chopped, extra-lean pork. Then they add garlic, cracked black pepper, and wine, after which it's slow-aged—giving it the aromatic mildness and soft texture it's famous for. Kids and adults love Columbus® Genoa Salami. GRAND NOIR®

GRAND NOIR

Draped in a distinctive black wax, the extraordinary Grand Noir is dressed for your next fine affair. Grand Noir starts with the very best fresh milk from regional farms in Bavaria, Germany, and is carefully dipped in black wax and then aged at cool temperatures to develop a luscious and creamy texture and delightfully bold blue notes. This silky blue cheese has an elegance all its own.

CAMBOZOLA

It's not a brie. It's not a blue. It's Cambozola. The exquisitely creamy Cambozola brings together in harmony two distinct styles of cheese: the rich creaminess of a brie with the piquant notes of a blue cheese. Smoother and mellow than a typical blue cheese, we call it our "beginner's blue," and it is a real crowd-pleaser. The velvety smooth texture and the mild aroma and flavor of blue cheese will awaken the senses for a totally unique cheese experience.
