The most classic of all Galloni Prosciuttos. It stands out for its extraordinary structure where the tenderness of its intensely white fat plays in perfect balance with the lean part. Its long stay in the cellar leads to the typical mildness of this excellent prosciutto.

Firehook had longed for a neighborhood bakery, like the village bakers in their hometown. Crackers were part of their taste memory, so they developed their own — crunchy, well-seasoned, unevenly beautiful — and sold them alongside their breads and pastries. Whole and healthy ingredients made for savory, addictive crackers — perfect for a Mediterranean inspired diet.

**POINT  
REYES**  
FARMSTEAD CHEESE CO.

## Apple-Onion Chutney + Original Blue Crostini

2 tablespoons butter  
1 medium yellow onion, small diced (about 1 cup)  
1 large Granny Smith apple peeled, cored and diced into 1/2" cubes  
1/3 cup brown sugar  
1/3 cup rice vinegar  
salt and pepper to taste  
6 OZ Point Reyes Original Blue cheese  
Toasted baguette slices, about 1" thick

Melt butter in heavy skillet. Add onions and apples, sauté until tender, about 10 minutes. Add brown sugar. Reduce heat and sauté until golden brown. Add vinegar and simmer until the liquid has been completely absorbed. Season with salt and pepper and cool completely. Spread on toasted crostini and top with Original Blue.

Inspired by the sheer natural beauty of the coastal climate and locale, Bay Blue is a rustic-style blue cheese with a natural rind. It is known for its mellow flavor and sweet, salted caramel finish.

## EMMENTALER® AOP

Emmentaler is the original Swiss cheese, world-famous for its distinctive holes and one-of-a-kind flavor. First produced more than eight centuries ago in the canton of Bern in the valley of the Emme River. This endlessly popular cheese is known as the king of cheese, and plays an essential role in Swiss communities and on American tables everywhere.

The king of cheese is made in 200-pound wheels from fresh, raw milk produced by grass-fed cows on family farms. Expert cheesemakers then age it for a minimum of 4 months in the microclimate of the Emmi cellars. Firm yet supple, Emmentaler AOP offers a nutty flavor with slight acidity and just a hint of herbs.

JASPER  
HILL  
FARM

**MOSES SLEEPER** is a Jasper Hill Creamery original, inspired by classic, French Brie. It is an approachable and nuanced soft-ripened cheese. Beneath its thin, bloomy rind lies a gooey, milky core showing a complex array of flavors at peak ripeness: cauliflower, crème fraîche, and toasted nuts. A bright, clean finish with a hint of white mushroom aroma follows the rich flavors of the paste.

Moses is perfect for a festive cheese board or for baking en croute for an elegant dessert. At room temperature, this cheese is pliant and decadent without being runny. Seek out a farmhouse saison, country pâte, pickled carrots, and a crusty baguette to bring together a satisfying ploughman's lunch.

CABOT CLOTHBOUND CHEDDAR

**HARBISON** is a soft-ripened cheese with a rustic, bloomy rind. Young cheeses are wrapped in strips of spruce cambium, the tree's inner bark layer, harvested from the woodlands of Jasper Hill. The spoonable texture begins to develop in our vaults, though the paste continues to soften on the way to market. Harbison is woodsy and sweet, balanced with lemon, mustard, and vegetal flavors.

Calabro low moisture Mozzarella is made using a natural fermentation process, which produces a consistent melt and flavorful, buttery flavor. It has a denser texture and a tangier, saltier flavor than mild, milky fresh mozzarella. It's most popular use is on top of pizza but it can be sliced or grated and added to lasagna, sandwiches, quiche, dips, and so much more. It is also great for cheese platters and snacking.

# CALABRO

Calabro signature whole milk ricotta is made from local, farm fresh milk. It has a delicate, creamy texture and is the perfect option for all your cooking needs, savory or sweet.

Many people enjoy the robust flavors that come from the line of Old Quebec cheddars, but few realize the time and attention it takes to bring this flavor experience to their table. The process starts at a rural cheese plant in the province of Québec, Canada. Cows grazed in the Saint Lawrence River Valley provide some of the highest grade milk for production, the first essential ingredient in cheese. Then a carefully guarded, proprietary starter culture and cheese making process yields what could be an exceptional cheddar.

**Old Québec**

**VINTAGE CHEDDAR**

### 7 Year Reserve Cheddar

During grading, a small number of cheddar blocks are identified as exceptional candidates for a unique level of aging... pushing the cheddar out to 7 years aged and more. This "Reserve cheddar" is available in very limited quantities. A small taste will bring big, complex flavors to enjoy. Pair with your favorite complementary beverage or enjoy by itself.
