Sour Cherry Bourbon Chevre

This flavor reminds us of the classic Manhattan cocktail, but in cheese form. Simply open and unmold the cup upside down to let the sour cherry bourbon sauce coat the fresh chèvre. We recommend serving this cheese with crusty French bread.

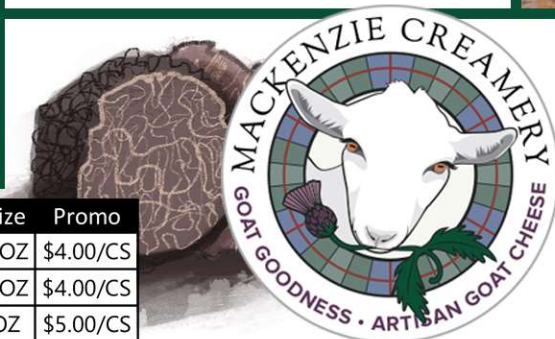

Chocolate Raspberry Chevre

This flavor stands out for its unique light-brown hue, thanks to the cocoa they mix into fresh chèvre during the flavoring process. It is both a chocolate and cheese lover's dream, perfect for a unique dessert you'll want to share!

Black Truffle Chèvre

This chèvre is perfect for those who don't shy away from funky cheese. This flavor melts beautifully with fresh pasta to create a powerful, creamy sauce.

CABOT CLOTHBOUND

MATURE BANDAGED CHEDDAR

THE CELLARS at JASPER HILL FARM

INGREDIENTS

PASTEURIZED COW MILK,
CHEESE CULTURES,
SALT, ENZYMES

CHEESEMAKER

This cheese is aged and distributed by The Cellars at Jasper Hill

GREENSBORO, VT 05841 USA

In 2003, Cabot Creamery asked Jasper Hill Farm to age a special batch of cheddar, sparking a revolutionary collaboration. After more than a decade the cheese has developed into the cornerstone of their collection. After it comes to the Cellars, they coat the young cheese in lard and add an additional layer of cloth. The cheeses ripen in a specially calibrated vault in our Cellars, where they are constantly brushed, turned, and monitored for quality.

SENSORY NOTES - Clothbound is an approachable but complex natural-rind, bandaged cheddar with a crumbly texture and nutty aroma. The flavor is deeply savory and slightly tangy with caramel sweetness to the finish.

PAIRING & SERVICE - Clothbound has a signature tang and caramel nuttiness with a rustic crystalline texture that becomes creamy on the palate. This savory-sweet balance of flavor makes a perfect match for charcuterie, apple jelly, or a rich chestnut honey. Pair with an off-dry sparkling apple cider, hoppy ale, or an oaked Cabernet Sauvignon. Clothbound is an award winning cheese, including American Cheese Society's 2006 Best in Show.

Dive into this luscious **Saint Agur**, and you'll discover stunning bluish green markings that tell the storied history of the sprawling hills of Auvergne. The story of Saint Agur starts with Roquefort. French cheese lovers used to top the sharp sheep's milk cheese with butter to make the intense blue flavors sultrier. And thus, came the idea for Saint Agur—a luxurious double cream cheese from mountain cow's milk.

Zesty pickled garlic complements plump, fruity Halkidiki olives from Mt. Athos in this savory snack. These olives are a great way to crank traditional Mediterranean flavors up a notch in a hearty farro salad or alongside cheese, hummus and pita.

If you can make it home from the store without finishing them, these cheese stuffed ruby-red peppers will steal the show at your next happy hour or brunch. For a big wow, serve them as a garnish for a Bloody Mary.

153009	WAFER CRACKERS - TURMERIC GLUTEN FREE	12/3.5 OZ	\$2.40/CS

Aged six months or more, Midnight Moon gouda-esque goat cheese delivers hints of nutty, brown buttery goodness up front and a long caramel finish. We recommend pairing with fig jam and seeded crackers or bread for the perfect bite.

Smooth, buttery, and delicate — **Little Giant** is a bright and fudgy goat cheese that makes a big impact in a tiny package. With subtly sweet, yeast-like flavors of bread fresh out of the oven and mushroomy notes that intensify as the cheese matures, this little goat cheese is mild and delectable at any age. Little Giant has a downy-white, edible rind, and like other bloomy cheeses, it continues to ripen from the outside in as it ages.

This recipe is one of the most appreciated by Italians which commonly call it "Minestrone". It is prepared only with spelt and vegetables and is perfect both warm or cold. It is completely natural and made only with vegetal ingredients: for this reason it is a perfect meal for vegans as well!

An always creamy soft-ripened cheese with just a hint of blue. White, edible exterior, and creamy yellow-white soft interior with few streaks of blue mold.

Champignon Mushroom is truly a fan favorite. This soft-ripened cheese is flecked with fine champignon mushrooms that add a mild but refined earthy mushroom flavor. Called white or button mushrooms in the US, champignon mushrooms are hand-picked in Germany at the optimum time to ensure the very best quality and mushroom flavor. Warm this cheese to room temperature for a buttery soft & earthy delight.

Firehook had longed for a neighborhood bakery, like the village bakers in their hometown. Crackers were part of their taste memory, so they developed their own — crunchy, well-seasoned, unevenly beautiful — and sold them alongside their breads and pastries. Whole and healthy ingredients made for savory, addictive crackers — perfect for a Mediterranean inspired diet.

Beemster Classic (aged 18-months) is considered the classic Dutch cheese throughout Holland. Its complex flavors develop slowly as it matures for a year and a half in a 100+ year-old traditional warehouse. A firm texture with some crystallization, a deep ochre interior, notes of toasted walnuts, and a brown-butter finish equal perfection!

Vlaskaas was historically made only once a year, during the flax harvest festival, but as festival traditions fell away, the recipe was buried. Thankfully, in 2004, a review of Beemster's past cheeses led to its rediscovery. Vlaskaas was obviously too good to make just once a year and is now available year-round. It's buttery and semi-soft with unique sweet-milk flavor, notes of almond, and a touch of sharpness that adds depth.

artikaas™

Trained dogs are used to find the naturally grown Italian black summer truffles that give this Gouda its distinctive woodsy aroma and deep notes of earthy wild mushrooms. The precious truffles are generously sprinkled in to infuse the Gouda with umami goodness.

Vintage Lot 60 five year gouda is the quintessential example of what aged Gouda can be. With deep sweet notes of butterscotch and surprising crunchy salt crystals that come with age, it creates a finish reminiscent of Parmigiano-Reggiano.

Roth's flagship **Buttermilk Blue®** is crafted with fresh, local milk and cellar-aged for 2+ months for the creamiest taste and texture. Tangy, yet mellow; it's perfect for cooking or serving on a cheeseboard.

Emmentaler AOP is made from fresh, raw milk produced by grass-fed cows on family farms. Expert cheesemakers then age it for a minimum of 4 months in the microclimate of the Emme cellars. Firm yet supple, Emmentaler AOP offers a nutty flavor with slight acidity and just a hint of herbs.
