Red Hawk is a washed rind triple cream made with organic, locally sourced milk. Red Hawk is for the bold, conveying the character of coastal Northern California. Beyond its rough and rowdy aroma, this cheese has a rich and meaty flavor with balanced notes of cured meats, wild sage, and a kiss of ocean air.

Mt Tam cheese is produced with organic, locally sourced milk and rises above the standard for bloomy rind cheeses. It takes you from fudgy firmness to buttery softness with flavors spanning from bright creme fraiche to complex and mushroomy, evoking North Bay's lush green and gold pastures.

Lamb Chopper® is Cypress Grove's only sheep milk cheese, but that's not its only claim to fame. Lamb Chopper has a buttery color, smooth texture, and is mild on the palate, but don't equate "mild" with "lack of complexity" — this is a nutty, subtly sweet cheese that's semi-firm and meltable, thanks to the higher fat in sheep milk. Aged three months, Lamb Chopper® is a real crowd pleaser and a favorite with kids.

Valbreso sheep's milk cheese is a fresh cheese whose curd is preserved in salt brine, which gives it a characteristic flavor and specific texture. Made from 100% ewe's milk that is left over from the production of Roquefort, Valbreso Sheep milk cheese is mild and creamy without the bitter aftertaste often associated with other Fetas. Rich and tangy with a firm consistency and melt-in-your-mouth texture, Valbreso Sheep milk cheese is best appreciated in the summer.

Harbison is a soft-ripened cheese with a rustic, bloomy rind. Young cheeses are wrapped in strips of spruce cambium, the tree's inner bark layer, harvested from the woodlands of Jasper Hill. Harbison is woodsy and sweet, balanced with lemon, mustard, and vegetal flavors. Pair with oaked white wine, or barrel-aged sour beer. Fruit mostarda and crusty bread make nice accompaniments. Harbison is a great excuse to gather a few friends and scoop into a decadent treat.

COLUMBUS®
CRAFT MEATS

They use closely-trimmed pork shoulder that's rubbed with pepper, nutmeg and allspice. Columbus® Dry Coppa is then slowly aged and air dried for at least 45 days, to bring out its full tenderness and fragrance. Columbus® Coppa is now clean label which means it is gluten free and doesn't have artificial flavors, colors or preservatives.

What makes this salame different is that it starts with finely chopped, extra-lean pork. Then they add garlic, cracked black pepper, and wine, after which it's slow-aged—giving it the aromatic mildness and soft texture it's famous for. Kids and adults love Columbus® Genoa Salami. Slow aged at least 30 days depending on size.
